

Church Transportation Information

Church Name: _____

Leader's Name: _____

Project Location: _____

Dear Leaders:

We need your vans and buses! Your vehicles will be our only transportation during the week to construction and/or ministry sites. Please plan to let us use your vehicle. Only your church-approved driver will drive your vehicle during the week.

Below, please tell us the type of vehicle (e.g., van, bus, minivan, etc.), the drivers who are willing to serve as the drivers during the week (you may have several who help drive to the project; please give only the names of those who would drive for a specific squad each day during the project), and the legal capacity of your vehicle.

Vehicle Type	Driver	Capacity
